The Deputy Commissioners of Districts and the Munrai Supdt were requested as usual to submit a statement of Munrai institutions requiring contributions from the State grant of 1913-14 In response to this, the Deputy Commissioners have sent in their lists of institutions requiring such grants An abbract of which is as shown below.—

It may be observed from this that some of the Deputy Commrs have sent in their lists without any principle or consideration or scrutiny

Considering that the applications for such grants are so numerous and the funds at the disposal of Govt are so small, it is not possible to meet the demands in all the cases But the following cases seem to be deserving of consideration in distributing the State grant of 1913 14. In selecting these items, following the principles adopted last year, preference has been given to cases where
